27th April 1895.

Under instructions from Government, the undersigned has the honor to state that it is hoped that the Deputy Commissioners and Assistant Commissioners as well as Amildars have so far Completed the preliminary arrangements and mastered the details of the Toddy Vend and Arrack Vend Farms and separate Arrack Shops, that satisfactory results will be achieved at the Coming Sales, and that the men of little or no means will not be allowed to purchase the Farm

runs or separate shops, lest the leases should break down necessitating recommendations for the remission of their dues and consequent loss of Revenue to Government.

2. The undersigned trusts that the local professional men will be encouraged to bid freely and fairly at the sales, care being taken against combination on their part, and to ensure punctual payment of Khists by them, and that all the officers concerned will use their best endeavors to develop the Goddy Revenue, and to see that no part of the Revenue properly derivable by Government is lost owing to lack of ~~ex~~ertion or proper and timely arrangements.

Proceedings of the Government of Mysore,

SALE OF TODDY VEND FARMS FOR 1896-97.

Notification No. 8030—Ex. 243, dated 5th March 1896.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Date Toddy in the various classes of farms specified in the subjoined schedule for one year beginning with 1st July 1896 and ending with 30th June 1897, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said schedule and at the Taluk Kasbas, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms, or should any of the present farms be unduly large, the officer conducting the sale, may revise, sub-divide or otherwise re-arrange the farms subject to the approval of the Excise Commissioner.

2. The exclusive privilege above described will be put up to auction, and will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject any bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Provided that if the Deputy Commissioner considers it advisable, he may permit a deposit in cash or Government securities equal to only two months' rent, or such deposit equal to one month's rent and personal security for three months' rent. If he fails to produce the aforesaid securities, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. The existing shops in each farm and the groves attached to each farm, the yearly rental of each farm, &c., for the previous years are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

- (1) For the supply of toddy to his shops, the licensee shall have the exclusive privilege of manufacturing toddy from the date trees in the groves assigned to his farm; and he shall be at liberty to manufacture toddy from date, palmyra or cocoanut trees in private lands either inside or outside the limits of his farm, on separate free licenses issued under Section 5 of the Excise Act, or to buy it from other farms, under private arrangements between him and the owners of such lands or the licensees of such farms, as the case may be, the selling price of palmyra and cocoanut toddy being fixed by the Excise Commissioner from time to time.
- (2) The exclusive privilege shall extend only to the sale of date, palmyra and cocoanut toddy, and shall not include the sale of bagani toddy.
- (3) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1896 together with the local cess of one anna on every rupee of such instalment; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the

Excise, dated, 5th March 1896.

Amildar to break up the defaulting farm into the existing number of shops within it, and give to each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

- (4) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the farm. Provided, however, that when the farm is re-sold or broken up under the provisions of sub-clause (3) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable with interest at 6 per cent per annum from the licensee or his surety or sureties, or from both, under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.
- (5) The toddy shall be sold to the public at the rates prescribed by Government.
- (6) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or dépôts if any.
- (7) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-keepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.
- (8) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the rules, shall be strictly prohibited.
- (9) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.
- (10) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.
- (11) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.
- (12) The farm shall not be transferable except with the permission of the Excise Commissioner.
- (13) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.
- (14) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and re-sell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government. When a farm is cancelled, the rent for the whole period of the farm shall become due at once; and all loss caused to Government by the cancellation or re-sale of the farm shall be made good by the licensee or his surety in the manner specified for re-sales in para 4 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other enactments or rules for the time being in force.

The Secretary to the
Government of Mysore
General and Revenue Department

Sir,
I have the honor to Submit,
herewith, a detailed Statement
showing the results of the Sales
of the Toddy Vend Farms in
the various districts of the State,
for the year 1896-97.
2. An abstract of the above
Statement is annexed below:-

Districts	Rental for 1895-96 including local cess			Rental for 1896-97 including local cess			Increase or decrease			Remarks
Bangalore	1,75,769	3	.	1,83,364	6	3	+7,595	3	3	
Holder	1,40,696	8	9	1,47,998	15	6	+7,302	6	9	
Tumkur	2,57,266	.	9	2,71,070	1	11	+13,804	1	2	
Mysore	4,21,698	4	6	4,20,438	9	.	-1,259	11	6	
Hassan	1,29,698	4	6	1,36,588	8	.	+6,890	3	6	
Haddur	66,038	10	.	87,452	4	.	+21,413	10	.	
Shemoga	38,174	9	.	42,897	6	.	+4,722	13	.	
Chittaldroog	2,01,469	2	.	2,05,602	5	.	+4,133	3	.	
Total	14,30,810	10	6	14,95,412	7	8	+64,601	13	2	

It will be seen from the above that there was a large increase in all the districts, except the Mysore district in which there was a decrease of Rs 1,259-11-6, and that on the whole there was a net increase of Rs 64,601-13-2.

3. In the Bangalore District, excluding the city and station and environs, the three years' Foddy lease whereof will expire on the 30th June 1897, the sales were held in all the taluks, except the Devenhalli taluk, farm by farm. The whole of the Devenhalli taluk was sold as a single farm, as it requires a capitalist to employ carts and bullocks &c to transport Foddy from the Goribidnove taluk, and as the professional classes could not therefore afford to purchase the defined individual farms separately.

4. In the taluks of Kolar, Malur and Siddaghatta of the Kolar District, the defined individual farms could not be sold separately, as they are not self-supporting in regard to the supply of Foddy which has to be brought from great distance at a heavy cost. The individual farms in the Bowringpett Taluk were

were, however sold separately for the first time, resulting in a large increase of Rs 5989-5-0.

5. In the Tumkur District the defined Farms were sold individually in all the Taluks except the Chicknaiten-hally taluk, in which the Farms comprised in the taluk proper were clubbed together and sold as a single Farm on account of proper bids not having been received for individual Farms. There are numerous date groves in this Taluk, but they are not conveniently situated in regard to the shops. Hence the difficulty to secure the bids of professional dealers for individual Farms.

6. In the Mysore District the whole of the taluks except Siru-charsipur, Malavally, Heggedoleventkote and Ryelandur, have the convenience of Date groves. Nevertheless, the whole taluks of Seringapatam, Mandaya, Karamangala Krishna-rajapet, Gundlupet and Chamarajapur were sold as single Farms on the ground that proper bids were not received for individual Farms. The Gadiqars in these taluks seem to be under the influence of the middlemen.

middlemen under whom they have been accustomed to work and to be therefore reluctant to take up individual farms and work them independently of the middlemen. The introduction of the free-tax system will doubtless remove all such evils. The decrease in this district was due mainly to the loss which the farmers of the Mysore and Heggadeventkote taluks are reported to have sustained in the year 1895-96.

7. In all the taluks of the Hassan District the defined individual farms were sold separately.

8. The unusually large increase of Rs 21413 in the Kadur district was owing to keen competition among the bidders several of whom were outsiders. No whole taluks in this district were sold as single farms.

9. Two whole taluks in the Shemoga District, viz Shikarpur and Borab were sold as single farms, fair bids not having been received for the defined individual farms.

In all the taluks of the
Chitaldroog

Chittaldroog District the defined
farms were sold individually.

11. On the whole the results
are very satisfactory.

I have the honor to be,

Sir,

Your most obedient servant,

x For Government farms only. No bid. was received for dnam farms.

~~decided~~. Nearly a third of this was made up by the two taluks of Chickmagalur and Doddaballapur which contributed Rs 8,389-8-4 and Rs 12,743-10-4 respectively. It is reported that the increase in the Kader Dt. was due to keen competition among the bidders, several of whom were outsiders.

~~Chickmagalur
Doddaballapur~~

2. In localities where individual farms could not be sold separately, either owing to the inconvenient situation of shops with reference to groves or ~~from~~^{to} the absence of proper bids, whole taluks had to be sold as single farms. The Epidjars in certain taluks of the Mysore Dt. (as elsewhere) are stated to be under the influence of middlemen, and to be reluctant to take up and work farms independent of them, — an evil which it is hoped to minimize by the introduction of the free-tax system. —
